Note di gusto

Cremes
Notes of taste

This line was created to produce a clean, excellent, artisanal, healthy ice cream, with characteristics suitable for modern consumer, which makes the best use of a balanced base to create that personalized flavor that characterizes your ice cream shop. The line meets the needs of all ice cream makers with the proposal of STANDARD BASES of 100, 150, COMPLETE BASES or CUSTOMIZED BASES according to the guidelines indicated by the ice cream maker, or of SEMI-FINISHED PRODUCTS (bags) ready to use for ice creams or sorbets according to your needs of taste, usable with the addition of milk or water only. The complete line supplies: bases, neutrals, ready-made, semi-finished products for fruit or creams, sugary pastes and fatty pastes, fruit and cream variegates, toppings, chocolate coatings, dips, powders for the creation of particular flavors, products with no sugars added.
